

## MORE NEW HOMES IN CREEKSIDE RELEASED

We're excited to announce that our builder has just released **5 MORE HOMES!!!**

We have at least one of each model **ready for immediate sale**, 2 and 3 bedrooms, some with a 3 car or extended garages.

All of our models include numerous high quality features such as a metal roof, covered trex decks or paver patios, granite countertops, fireplace, interior wood doors, paver driveway, air conditioning, heating and much more.

Located in Show Low, Creekside is a private gated community surrounded by tall pines yet close to shopping and amenities. There are only 52 homesites in Creekside. Lot sizes vary from around 8,000 square feet to 25,000 square feet. Creekside lots are fully improved including paved streets, City water, City sewer, City trash service, cable tv and natural gas.

**Stop into our Design Center or call us for more information on the model, location, price and to view this home.**
